Vocabulary Unit 8 -- ACROSTIC POETRY

In acrostic poems the first letters of each line are aligned vertically to form a word. The word is usually the subject of the poem. To write an acrostic poem start with one of the vocabulary words and write it vertically. Then think of lines for your poem that relate to the meaning or describe the word (consider using synonyms). The poem doesn't have to rhyme but each line must have at least 3 words. *Write a minimum of 5 acrostic poems using 5 different vocabulary words.*
