

Target Skill

I can discuss how trees are useful to people and wild animals.

Kinder - Trees and Weather - Investigation 1

Target Skill

I can identify the main parts of a tree.

Kinder - Trees and Weather - Investigation 1

Target Skill

I can put together my own pictures of tree parts.

Kinder - Trees and Weather - Investigation 1

Target Skill

I can compare the different shapes of trees.

Kinder - Trees and Weather - Investigation 1

Target Skill

I can observe a tree throughout the school year.

Kinder - Trees and Weather - Investigation 1

Target Skill

I can discuss what a tree needs to stay alive and be healthy.

Kinder - Trees and Weather - Investigation 1

Target Skill

I can observe leaves on trees,
noticing things that are the same
and different.

Kinder - Trees and Weather - Investigation 2

Target Skill

I can match leaves to geometric
shapes.

Kinder - Trees and Weather - Investigation 2

Target Skill

I can look for leaves outside that are different in size and shape.

Kinder - Trees and Weather - Investigation 2

Target Skill

I can identify leaves by their shape, size and edges.

Kinder - Trees and Weather - Investigation 2

Target Skill

I can record daily weather observations on a class calendar.

Kinder - Trees and Weather - Investigation 3

Target Skill

I can use weather symbols to indicate basic types of weather.

Kinder - Trees and Weather - Investigation 3

Target Skill

I can use a thermometer to
measure temperature -
freezing, cold, cool, warm, hot

Kinder - Trees and Weather - Investigation 3

Target Skill

I can construct a windsock and find
out the direction of the wind.

Kinder - Trees and Weather - Investigation 3

Target Skill

I can find objects from trees around my school. I can make a chart of the things I collected.

Kinder - Trees and Weather - Investigation 4

Target Skill

I can find, observe and compare seeds found in the fruit from trees.

Kinder - Trees and Weather - Investigation 4

Target Skill

I can observe the trees' bark, twigs, leaves, flowers, fruit, and seeds from the trees around our school.

Kinder - Trees and Weather - Investigation 4

Target Skill

I can find evergreen trees that match samples of needles from our schoolyard trees.

Kinder - Trees and Weather - Investigation 4

Target Skill

I can observe the inside of tree twigs and look for growth rings, buds, and leaf scars.

Kinder - Trees and Weather - Investigation 4

Target Skill

I can bring twigs inside from outside and force them to put out blooms or leaves.

Kinder - Trees and Weather - Investigation 4

Target Skill

I can observe and compare bark on a variety of trees.
