

PSA Script: Racism.

{Intro- Racism PSA.}

Slide- Racism happens everyday, somewhere around the world.

Second Slide- Believe it or not, it even happens at school.

Scene one-

Setting; Modern Day Classroom.

{Allison ((Latisha)) sits with a mac laptop and a piece of paper and a pencil, all alone at a table. Camera focused on her until Emily enters.}

{Emily enters ((Sirina)), looking disgusted at 'Latisha'}

Emily: What do you think you're doing in my spot?

{Allison looks up at Emily}

Allison: Oh I'm sorry, I didn't know this was your spot.

Emily: Yeah right.

{Allison goes to get up and move when Emily shoves her to the floor}

Emily: Get out of here, you black freak. (laughs)

{Allison lays on the ground, babying her side. Camera switches over and zooms in on Emily, then zooms out to view Allison and Emily both. Emily throws her binder to the ground and every thing falls out, and walks off laughing.}

Slide one- People like this are victims of racism.

Slide two- What most people don't know is that racism is still effecting people of all races today.

{Video of Allison Fake Crying, camera zoomed in on her}

Slide Three- This is how it should have gone.

Emily: Get out of here, you black freak.

{Shove}

{Elizabeth enters the shot and takes Allison's hand, helping her up and standing in front of Emily, protecting Allison.}

Elizabeth: That's not alright Sirina, we're all human beings. Just because Latisha isn't the same skin color as you doesn't mean she doesn't have rights or feelings. She's just like you and me, but more unique. We're all different, you shouldn't be judging people by the color of their skin or by the clothes they wear or by the way they smile, because we're all built the same way, but we're only different on the outside.

{Allison and Elizabeth exit, leaving Emily alone. Fades out into black screen}

Slide four- Racism has effected many for hundreds of years, the worst treatment has gone to African Americans.

Slide five- Even though laws have been passed against Racism, Segregation, and Discrimination, that doesn't mean all three of those have stopped.

Slide six- Being treated a different way because of the color of your skin is wrong.

{Pictures of blacks being mistreated.}

Slide seven- 13 million children from the ages 6-17 commit suicide each year due to racism or bullying in general because of the color of their skin.

Slide eight- End Racism. Become a better people. The future of society rests in our hands.
