
Alora Tieman's Biopic

Bio

In this chapter you will be learning about my family, the schools I have been to, and my pets.

SECTION 1

Family

My family is my mom, dad, my 2 grandmas, my aunt, my 2 uncles and so on and so forth, it goes on for awhile

Me and my dad in front of a SR-71 Blackbird.

This is my mom.

SECTION 2

School

I have been to 3 different schools in my life time, my first school was kindergarten, my second school was elementary, and my third school (which is the one I am at right now) is middle school.

This is the school I am currently at called *Cal Young Middle School*.

This my first school called *KinderCare*.

This is my second school called *Willagillespie Elementary School*.

SECTION 3

Pets

I only have two pets, my cat at my mom's house and my dog at my dad's house.

This is my
cat
Scarface.

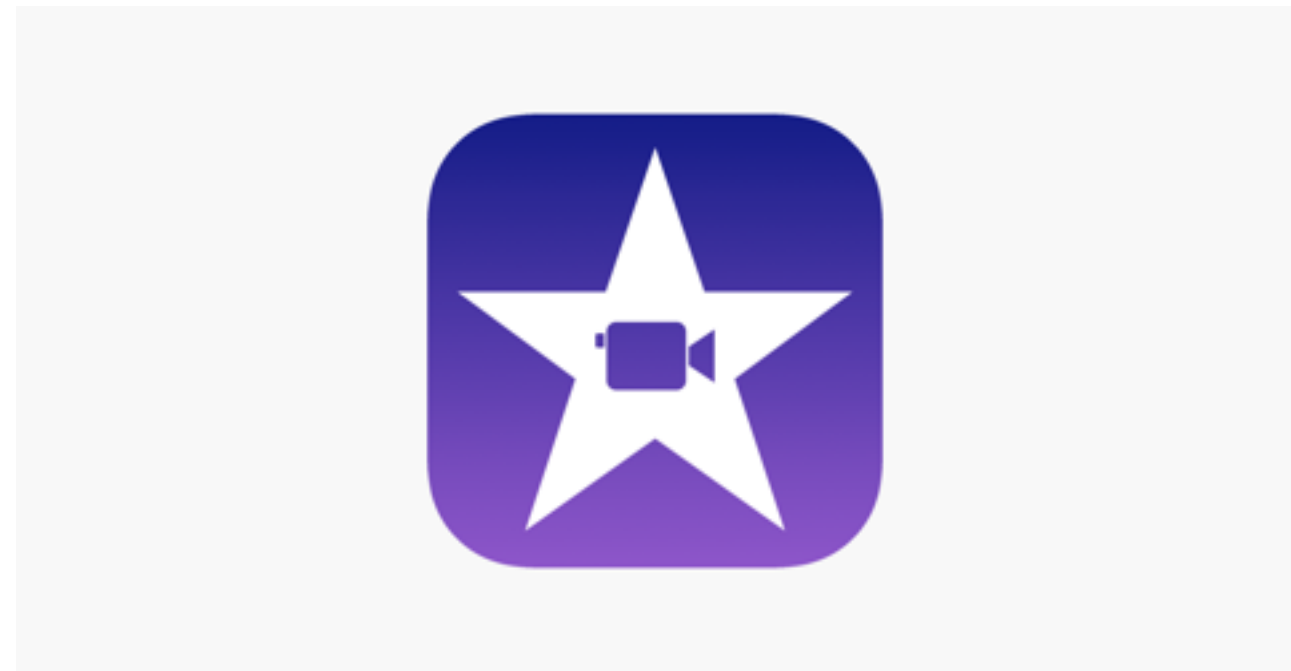

Another
picture of
my cat.

This my dog Maximus.

Favorites

In this chapter you will be learning my favorite food, favorite places, and favorite movies.

SECTION 1

Food

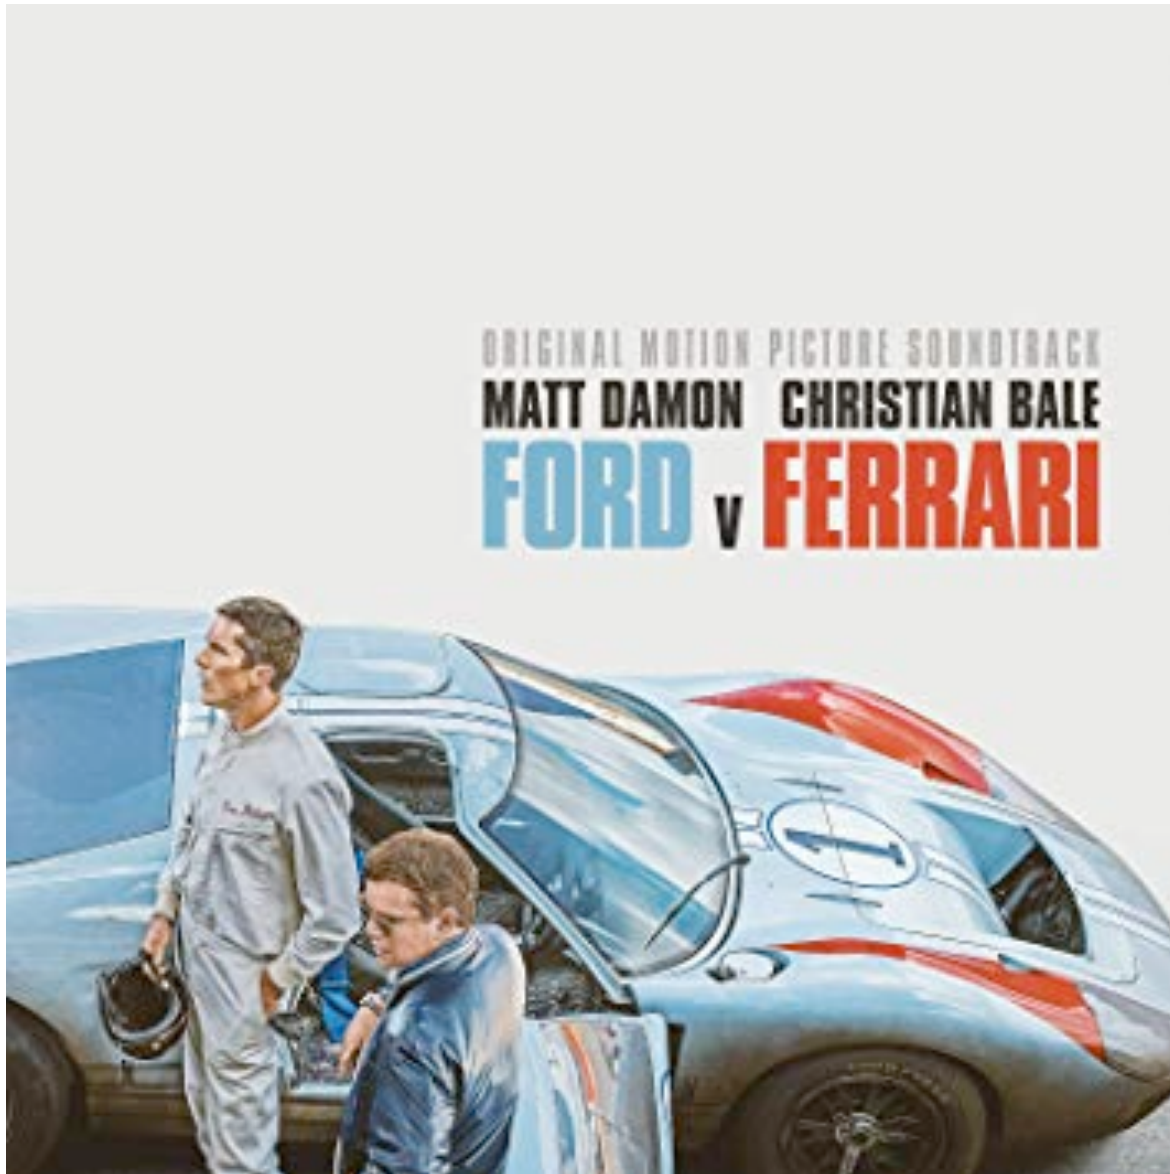

Some of my most favorite foods are ramen (especially), milkshakes, pickles, tacos, grilled cheese, and donuts.

SECTION 2

Movies

I don't have very many favorite movies but some that I REALLY enjoy was Ford vs Ferrai, Godzilla King of Monsters, and Alita Battle Angel.

SECTION 3

Places

Some of my favorite places in the world are Cat Island, Japan, The Caribbean, and just Japan in general.

This is Cat Island.

This is the Caribbean, this is only one island of many.

This is Japan.

Hobbies

In this chapter you will be learning about some of my hobbies.

SECTION 1

Sports

I use to play soccer, basketball, and softball but now I just play soccer.

SECTION 2

Drawing

Another hobby I like to do is drawing, I've always like to doodle so in my free time I'll sketch a little.

SECTION 3

Video Gaming

Some video games I play are The Sims 4, Planet Zoo, and The Battle Cats.

Career

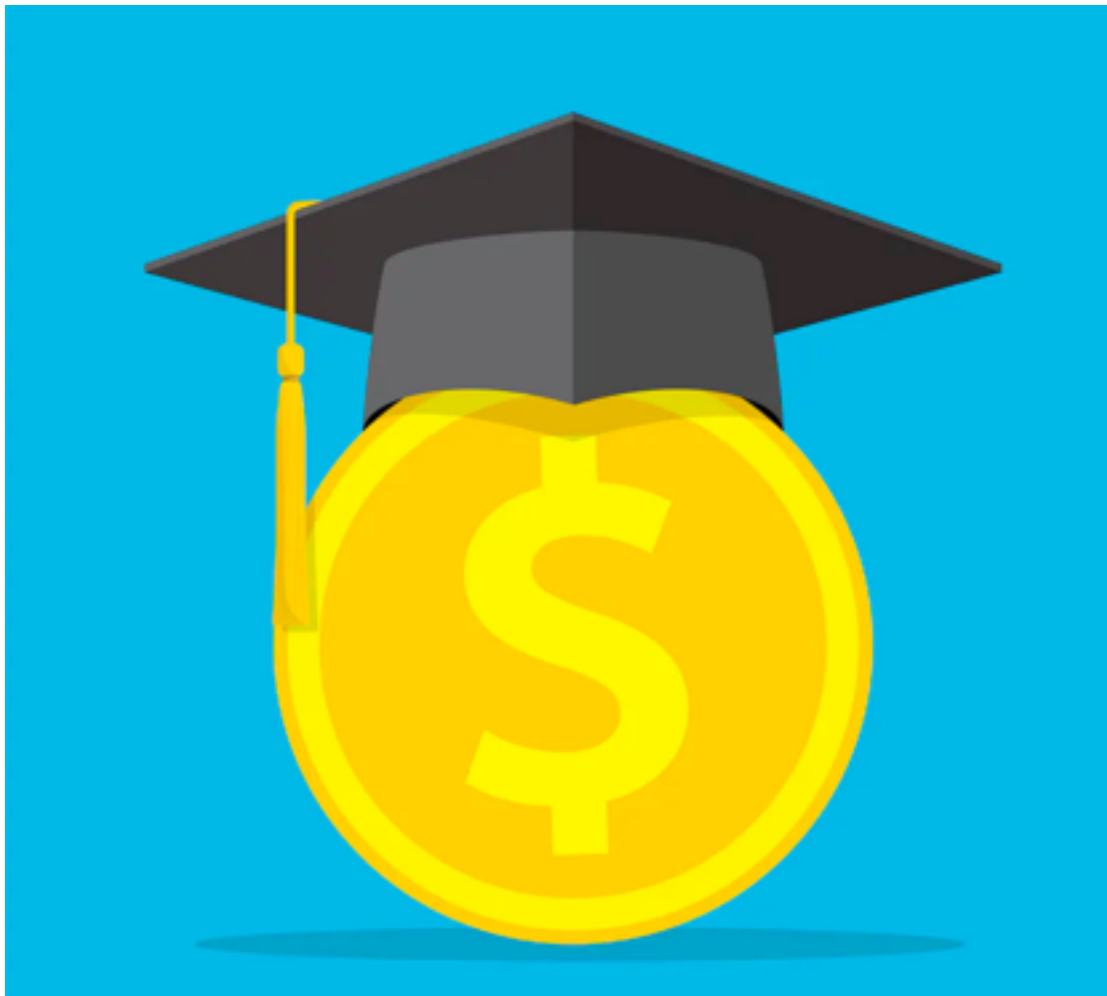

In this last chapter you will learn about what I want to do for a career.

SECTION 1

College

First I want to go to college to be able to get my career. The school I want to go to is the University of Oregon. But I am still not sure if they provide the correct classes for the job I want so I might go to another university.

The University of Oregon

SECTION 2

Veterinarian

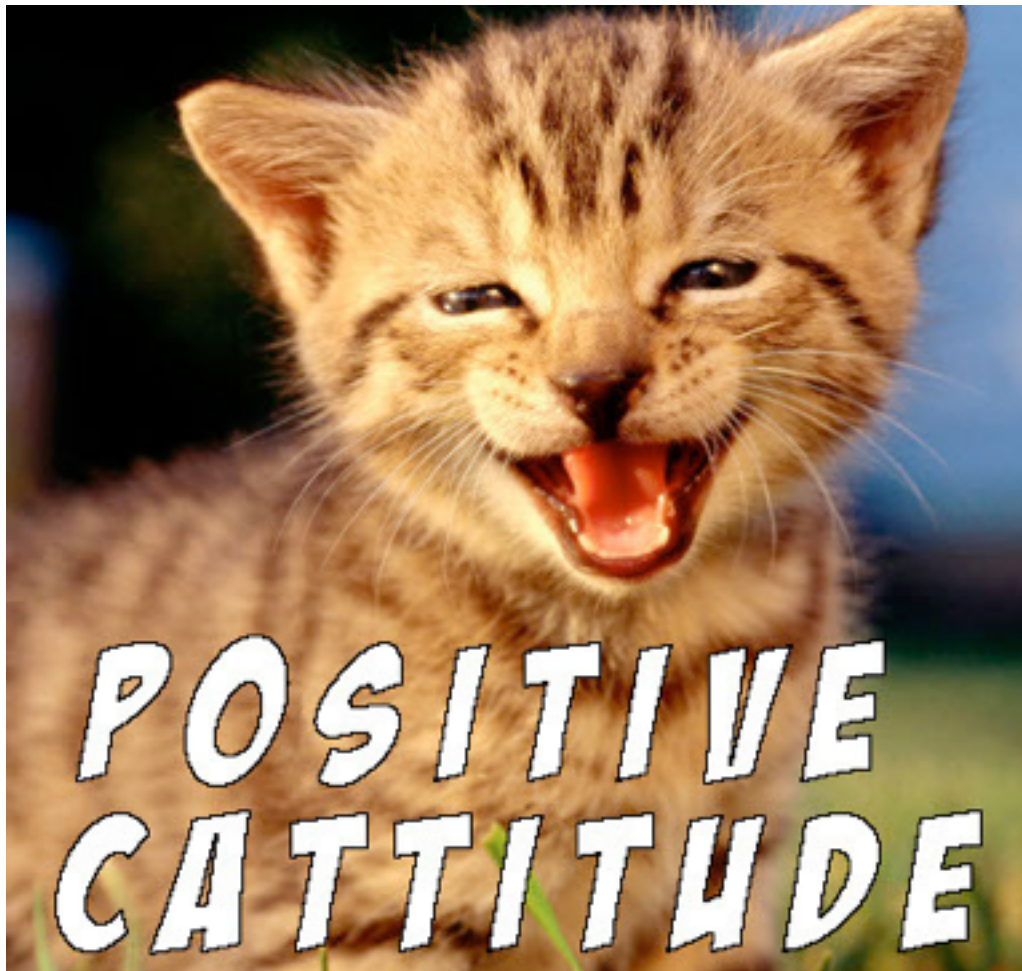

When I grow up I want to be a veterinarian because I really love animals and I want to help them.

SECTION 3

Cat Behaviorist

If I fail to become a veterinarian then I would like to be associated with cats because they are my favorite animal, so I would want to be cat behaviorist, but this is not certain. But I would probably want to be a dog trainer or a cat trainer.
