School \_\_\_\_\_

**Parent(s):** A request for an Assistive Technology Evaluation has been submitted for your child and I would like to have some information from you. Please take a few minutes and fill out this form so that I can better serve your son or daughter. If you aren't sure about a question, you can just write N/A. Either fill out the form on your computer and email it back to me, or fill it out by hand and send it back in the envelope provided, along with the consent form.

After the evaluation, I will contact you via email with any recommendations that I have. Thank you so much.
