**Clean-up** – check off each step as you complete it.

- A. Hot water down the drain
- B. Ice water back in cooler
- C. Cups stacked w/ balloon bottle upright in cups
- D. Scale in short round container
- E. All materials back where you picked them up.
- F. You –
  - a. Finish your Notability document. Captions should be detailed sentences and provide enough detail that if the picture was deleted it would still make sense.
  - b. Show me your Notability document when you are done.  
Due by \_\_\_\_\_
  - c. Working on SN p28 #3 & 4
