FAVORITES

In this chapter you will learn all about what I like and my favorites

FOOD

I really like fruit! If I could pick any two fruits I would pick strawberries and raspberries. I also really like soft serve vanilla ice cream and I also like ice cream sandwiches.

MOVIE AND TV SHOW

My favorite movie is Blended. I really like it because two of my favorite actors are in it: Adam Sandler and Drew Barrymore.

My favorite TV show is Castle. I really like the detective side of it. This show inspired me to want to be a homicide detective.

ANIMAL

My favorite two animals are pandas and dogs. I think pandas are so cute! After I did a report on them I learned a lot about them. They are really interesting creatures. I also really like dogs! I had the same dogs below a couple years ago. After a ten year life the passed away. Ever since then I've wanted another one.

VACATION

One of my favorite places to go is Black Butte Ranch. It is near Sisters, Oregon. We stay in a town house, that our friends own. When we go, we always go with our friends. My favorite part is that we go really often. It is really convenient and great for all seasons! There are so many activities at the ranch and near the ranch. Both of the pictures you can see are pictures my grandpa took during the winter.

HOBBIES

Hobbies

In this chapter you will learn all about my hobbies.

Hobbies

SOCCER

I love being outside and being active. One of my favorite sports is soccer. I've been playing since I was in kindergarten, but took one year off because I hurt my foot. I also started playing indoor soccer a couple years ago. I played kid sports till I was in fourth grade. In fifth grade I started playing for a semi club team: Pelada. I still play for Pelada right now and it's really fun! I am a defender with one of my best friends Molly.

BASKETBALL

Basketball is another one of my favorite sports. I've played basketball since I was in second grade. I played with the program YMCA. Starting in sixth grade I started playing kid sports. Next year I'm thinking about changing to TRBO. I don't just like playing basketball I also really like watching it. I love watching the ducks play and going to the Sheldon games. I love playing basketball on a team, watching basketball, and just going outside and shooting some hoops.

BIKING

Another one of my favorite hobbies is mountain bike riding. When we are in Eugene we don't really go bike riding a lot, unless we are on the road. Whenever we go to Bend we go a lot. We bike to the lake or we go on a trail. It is very good for you and a fun activity to do. Two of my favorite rides are the Paulina Plunge. It is almost all downhill and every once in awhile you get to go down a rock slide. The other one is riding to Suttle River.

HANGING WITH FRIENDS

When I don't have any sports, I love hanging out with my friends. The picture in the top left corner was my friends and I before our first dance. I'm on the far left, Sophie's next to me, Molly's next to Sophie, and Jillian is on the far right. In the top right corner is a picture of Molly and I after my basketball game. Below that picture was my friends and I before and Ariana Grande concert for Jillian's birthday. The picture to the left is at the top of Spencer's Butte. The little girl to the left of me is Avery and to the right of me is Will Graziani. To the right of Will is my brother and Avery's brother Cameron.

CAREER

In this chapter you'll learn all about the jobs I want to do when I grow up.

TEACHER

I want to be a 7th grade math teacher or a Kindergarten teacher. In Kindergarten I had many different teachers. I also had many teachers in 7A. This inspired me to want to be a teacher for these two grades. I love little kids! I always babysit and it's really fun for me. That's why I thought a kindergarten teacher would be fun. I really like math, it's my favorite subject.

INTERIOR DESIGNER

I really like designing things. When we moved I loved helping my mom decide what to put. I have lots of design apps too! Besides actually designing things, I'm really interested in HGTV and DIY shows.

HOMICIDE DETECTIVE

One of my favorite TV shows is Castle. The head detective is Kate Becket. (Shown Below) I want to be just like her. She is the one who inspired me to want to be a Detective.

Another character is Richard Castle. He also inspired me because he's not very talented in detective stuff. He made me think that anyone can get the job done.
