International Tea Fast Approaching!

International Tea Planning Meeting, November 29th

We will be planning for the much anticipated International Tea on **Tuesday, November 29th at 6:30 p.m.** We will be deciding on table themes, decorations and food to be served at this event. Please join us as we work to make a very memorable occasion for your children. There will be many ways for parents/guardians to volunteer in order to make this event sparkle for our awesome fifth graders.

November Book Project

Students have been assigned a book project this month. They have been asked to select a book in the mystery genre to read over the next few weeks and will be creating a poster to summarize their books. Although we will be completing some parts of the project in class, students will also need to work on this project at home. Students should be reading their

books for the next two weeks. The due date for this project is **Wednesday, December 7th.**

Homework & Reading Log Reminders

Fifth graders will not be receiving a homework packet this week due to the short 3 day week. They will need to remember to log reading minutes however. Most students are reading their mystery books for November's Book Project

Class Officer's Election

Last week our class elected our first class officers of the year. Congratulations to all student leaders and candidates for being nominated for office. Candidates worked very hard preparing speeches, posters and buttons. Our class has elected Nicolette, Danielle and Jonathan V. as officers for our first term.

Library Books Needed

Please remind your child to return library books on Wednesday of each week. Our library check out day is Thursday and we have some very popular books that have been overdue for sometime. Please return them so other children will be able to check them out and enjoy them.
