Conference Check In

Many thanks to parents and students who attended conferences last week. It is so important to share information and set goals together. Just a few reminders I would like to restate about homework. Students are assigned a spelling/language packet every Monday. It should be completed and turned in by Friday. Our final spelling tests take place on Friday as well. Math homework is assigned within the homework packet.

November Book Project

Students will be assigned a book project this month. They have been asked to select a book in the mystery genre to read over the next few weeks and will be creating a poster to summarize their books. Although we will be completing some parts of the project in class, students will also need to work on this project at home. Students should be reading their books for the next two-three weeks.

Reading Log Reminders

Fifth graders are required to read 100 minutes each week. Please make sure that they log their minutes and have a parent/guardian sign the log before turning it in on Friday.

OBOB Teams Forming

Congratulations to all of the 5th graders who have signed up to participate in the Oregon Battle of the Books. The mission of this

program is to recognize students who enjoy reading, to broaden reading interests, to increase reading comprehension, promote academic excellence, and to promote cooperative learning and teamwork among students. OBOB books are now available for checkout in McCornack's library.
