BECKY CASADO

Weather Delays

Wow! January is certainly off to a snowy and icy start. I hope families were able to stay warm and safe over the past week in Eugene. Children in my neighborhood were busy building snowmen, riding their sleds, and thoroughly enjoying the snowy days. Our class will be working hard this week to get back into our routines and to catch up on instructional time missed during the ice and snow days.

Students will begin their "World Heroes" project this month. They will be choosing a World Hero from a list of people who have made amazing contributions to our world. The children will be researching their person's life and writing a special report that will be presented as a speech to the class.

Honk Casting

Casting for our upcoming Spring Musical, "Honk" is almost complete, and students will begin rehearsing soon. The cast list will be announced soon. Miss Olsen will be making a

rehearsal schedule that will be sent home with students so that families can plan accordingly. There will be many opportunities for parents and community members to volunteer for this fun production. We are excited to get started soon.

Library Check out Thursday

Our library check out day is this Thursday, January 12th. I understand that students are really eager to check out this week. We were unable to check out books prior to winter break due to the ice storm and school cancellation. We have several popular books that have been overdue for quite some time. Please help your child remember to bring their book(s) tomorrow so that we can get them circulating to other students who would like a chance to read them.

OBOB Meetings Rescheduled

Due to our snow days, OBOB meetings have been rescheduled for this Tuesday, January 10th. Students will meet at 1:00 p.m. in the Library and Coaches will meet at 2:30 p.m.
