World Heroes Project

Our class will continue with research this week of students' selected world hero. Students are using biographies, encyclopedias, online resources as well as videos to gather information about their hero. Some students will be ready to begin the rough draft of their report this week. Students should refer to the monthly planner in their binders to help them stay on track with pacing of the project. We will be presenting the final speeches beginning the week of February 21st.

Special Artist Session

Last week our class enjoyed our first session with artist, Alex Landrum. Students learned how to use proportion in drawing faces and figures in action. The children

will be completing a final tile project during their 3 sessions. Many thanks to the Eugene Downtown Rotary for funding this wonderful opportunity for our McCornack students.

Future Chef Contest

4th and 5th graders have the opportunity to submit a recipe for the Future Chef Contest this month. They can create a recipe for a healthy comfort food. Our class brainstormed some delicious ideas for recipes last week. Recipes need to be turned into the cafeteria by February 17th.
