World Heroes Project

Fifth graders have been working very hard on their World Hero Reports. They have been researching and writing their rough drafts as well as creating their Google Slideshow presentations. Our goal this week is to complete the written report and begin making speech cards to prepare for the oral presentation. Students should refer to the monthly planner in their binders to help them stay on track with pacing of the project. We will be presenting the final speeches beginning the week of **February 21st.**

Special Artist Session

This week our class will begin our final session with artist, Alex Landrum. The children will be painting their tiles and adding details and finishing touches to their work.

Many thanks to the Eugene Downtown Rotary for funding this wonderful opportunity for our McCornack students.

Attention Future Chefs!

5th graders who want to participate the Future Chef Competition need to submit your recipe this week. The recipe should be for a healthy comfort food. Recipes need to be turned into the cafeteria by this **Friday, February 17th.** Good luck, 5th graders!
