MCCORNACK ELEMENTARY SCHOOL

MARCH 13, 2017

BECKY CASADO

Recycled Art Collages by  
Michael, Charlotte, Sabrina, &  
Garrett.

## Future Chef Contest

Congratulations to Zion, he will be one of the finalists representing McCornack at the 4J Future Chef Cook off held at Sheldon High School on April 22nd. His recipe was a yummy version of mac and cheese. Way to go, Zion!

## World Heroes Project

We have been learning a great deal about many important world heroes as students have been presenting their special projects. We still have a few students who will be presenting the last round of presentations this week.

It has been a pleasure to see the children work very hard at researching, rehearsing, and presenting their reports. Speaking in front of a large group can be a little scary for 5th graders. They have been extremely good listeners and very

supportive of each other as they have tackled this rigorous project.

## March Book Project

Students have been assigned a book project for March/April. The genre is Fantasy or Adventure. Most students checked out a book last Thursday to begin reading for the project. Instructions for the project will be sent home this week. Students should begin reading their books this week. Projects will be due on **Friday, April 14th.**

## Artist in Residence-

### Ms. Maiya Becker

Our class enjoyed our first session of Visual and Craft Art with Ms. Maiya Becker. The children are looking forward to our second session this Tuesday, March 14th. Fifth graders had loads of fun designing projects using recycled materials.

## OBOB Celebration, Friday

There will be a special celebration for all OBOB participants this Friday, March 17th. All groups worked very hard to read the books and prepare for the final round of competitions. Oregon Readers will be going to North Eugene High School this weekend to represent McCornack in the Regional Competition. We wish them the best. Thanks for all of your hard work and preparation.

## Mark Your Calender

March 16th - Jalisco's PTO fundraiser
