BECKY CASADO

McCornack Visits Kennedy- June 8th

Middle School Transition

Our fifth graders will be learning about middle school expectations and scheduling this week with two planned transition activities. This **Tuesday, June 6th**, Kennedy's principal, counselor and student representatives will visit McCornack to give a short presentation about middle school and answer questions. Then on **Thursday, June 8th**, McCornack's fifth graders will be visiting Kennedy for a tour of the building, an opportunity to meet teachers, learn about expectations, and hear the Kennedy Band perform. There will also be an important parent meeting at Kennedy taking place this **Tuesday, June 6th at 5:30 p.m.** in Kennedy's Cafeteria.

Smarter Balance/ OAKS Math

Fifth Graders will continue taking their math Smarter Balance Assessments this week. They will be completing a math problem solving performance task. They have been working very hard this year, and should feel proud of their efforts. Getting plenty of rest and eating a nutritious breakfast each morning will help to ease

stress and support them during testing sessions.

Keep Those Basket Items Coming!

The carnival is just around the corner, June 15th. We could still use a few more items for the 5th grade **"Fun in the Sun/Pool Day"** carnival basket. Beach towels, sunscreen, drink mixes or gift cards would be great items to donate. Thanks for helping our classes create a fun and splashy basket this year.

May Book Project Genre

The May/June book project was due on **Wednesday, May 31st**. We still have a few students who need to get their projects completed and turned in. This will be the last book project of the year. Remember to get all library books turned in by today, June 5th, and receive a free book for summer reading fun.

Mark Your Calendar
