

Getting to know your textbook

Used effectively, *The Practice of Statistics*, 6th edition can serve as an important resource for helping you master the key ideas and methods of statistics. This assignment is designed to help you get familiar with what the book has to offer.

Directions: Read “*To the Student*” on pages xii–xiii and review the “*walkthrough preface*” on pages xiix–xxiv. Then answer the following questions.

1. What is a FRAPPY?
2. Are any answers provided in the book? If so, which ones?
3. In what two places do you find the Learning Targets for each section in the text?
4. Tell what each of the following icons means:

25.
pg 17

6. On what page do you find the *Law of Large Numbers*? _____
7. Go to Mr. C’s website and find the Course Information Section. Select the “AP Stats” section. Then select “Student On-line Resources”. Name something you find there that could be helpful to you during this course.
8. You are not going to turn in this assignment but I suggest you check your answers with other students.
