NEWS FLASH!!!

“Eugene’s Howard Elementary School has been named an Apple Distinguished School in recognition of its implementation of instructional technology to aid students’ learning. The designation is reserved for schools that have implemented a 21st-century vision of education using Apple technology. Howard’s selection highlights its successes in enhancing and extending teaching and learning with thoughtful and innovative implementations of technology. Howard is the first elementary school in Oregon to achieve the honor, and one of only 33 U.S. school this year.”

-Eugene Register Guard, 2009

**This year marks our 3rd consecutive year receiving this honor, as well as the only school in Oregon.

Technology Mission

The mission of the Howard Elementary Technology Plan is to ensure that students and staff are effective users of technology in the teaching and learning process, are prepared for using technology in the pursuit of higher education and career opportunities, and are empowered as citizens of the 21st century.
