Hello, my name is Marissa Burns and I'm a student at the University of Oregon. I'm studying education and one of my classes (FHS 407/409) requires us to have 30 hours of volunteer work in local Eugene schools. I was wondering if I could possibly volunteer at your school this term. I need to know as soon as possible since I'm already behind on acquiring a practicum site. Thanks for your time!

Best Regards,
Marissa Burns
