Good Afternoon Staff,

I know we are all busy and you don't really want to add yet another thing to your list of things to do but I would like to ask for your help again this year at conference time. The time has come and gone when the deadline for application cut off so if a child's was on free or reduced and the application wasn't updated then they are in the system as full priced. So with that said I would like for you to remind parents that if they haven't filled out a free/reduced application that to go ahead and fill one out. After all it helps the school out! I do not currently have a list of students who need to update so if you could just check with the parent at conferences if they have filled one out for the year it would be great!!

Thanks for your help with this:)

Carolyn
