Subject: TalentEd System Update

Good Evening:

TalentEd programmers are still working on the system. This work will continue throughout this and next week (until Nov 1). Please do not log in to TalentEd until you receive an email update to do so.

Just because the management system is on temporary hold, the instructional strides through collaboration, goal setting and learning together should not stop. Please continue to work on supporting your staff in drafting Student Learning Growth Objective and Professional Practice goals and continue to hold overview meetings. If necessary, timelines for completion of tasks may be further relaxed. I will let you know soon. Staff will not be penalized for missing any deadlines.

Based on feedback, weekly email reminders will be discontinued for now and set up to go out less frequently once the system is up and running. Thanks for your patience.

Thanks,
Celia
