4-14-14

Dear Elementary Principals,

We will have representatives from Developmental Studies Center in Eugene on April 22, to talk about the Being a Writer program. This program is currently being piloted by several schools in the district and has been well received by both teachers and students. We are inviting you and a teacher leader to join us on April 22nd from 3:30 to 5 PM in Gilham Elementary Library, to learn more about this program and professional learning for next year.

We are looking at adopting Being a Writer for every school next year. It will be important for your teacher leader(s) and you to form a collaborative team with a strong connection to writing and a willingness to lead staff in this area. Every teacher will be participating in a half-day training and overview of the program. Your teacher leader and you will be involved in four additional webinars given by the Developmental Studies Center, designed to give you resources and activities to help teach your building staff information on writing strategies and processes.

Thank you,
Kathy Luiten
