Hello all,

Many of you have been inquiring about entering Local Performance Assessment (formerly known as Work Samples) information into Synergy. We have been waiting for the system to be loaded and ready for use. It now is up and ready for you to enter your information into Synergy. Ruth Mann has developed a guide on how to enter the information in Synergy (see document attached). We also have information and resource links on our Teacher Resource page regarding Local Performance Assessments (see link below). If you have any Synergy questions please direct them to Ruth Mann.
