## "GRAB & GO" SACK LUNCH SCHEDULE

10:00	1st grade
10:15	2nd grade
10:30	3rd grade
10:45	4th grade

Students will enter the cafeteria through the doors closest to the office. They will put together their own sack lunch, assembly line style. As students pass through the line, they should form a new line at the doors exiting to the breezeway. Once all the students have gotten their lunches, the class can leave the cafeteria. This process should take 5-8 minutes.

**If staff, not supervising students, are available to help during this time, that would be terrific ☺.**
