Hello Howard Families,

It is once again time to start gearing up for another exciting school year! With all of the construction going on with the new building there will not be any dull moments around.:)

I have attached the "Back to School" information for you to read through. There are a few things that I would like to draw your attention to. The first is that if you need to know the place and times for your child's bus stop you will need to look that up on the district website. The steps are as follows: Log onto www.4j.lane.edu, then select the "department" tab, then select the "transportation" tab, and then finally select "find my bus stop" and enter your address. This will give the most accurate information available.

Also, for those of you that have already picked up a supply list throughout the community you will notice that the technology fee amount was listed as \$15. We have had to change that to \$20. Thanks to PTO and all of our families that helped with fundraisers throughout the year we have been able to supplement \$10 of the original \$30 fee.

I will be opening the office for registration on Monday, August 18th. The office will be open 8:00 - 12:00, and 1:00 - 2:30 for enrollment of new students. We are fortunate to be able to be a part of "Project Hope" again this year. I will have the office open for those of you that would like to participate in this on Wednesday, August 20th between 1:00 and 2:00. The event will be Sunday, August 24th at North Eugene High School.

This event provides backpacks, general supplies, shoes, and hair cuts for our students.

Unfortunately, the number of vouchers is limited so I will be distributing on a first come, first served basis. A voucher is needed for each child that will be participating. I will also have Operation School Bell forms available for those of you that might need additional help with school clothes. Again, this is a very limited program and participants will be selected through a random drawing. Operation School Bell Consideration Forms will be available through September 12 in the office.

If you have any questions please do not hesitate to call on or after Monday, the 18th. I look forward to seeing you all again.

Thanks,
Lori Henry
