2. Review committee selects 6 teachers- 9/12/14
3. Review committee notifies all candidates- 9/16/14

Skillful Teacher (Cohort 3)

Plan to send one teacher (who has NOT had the coursework) from your building who is interested in participating in the Skillful Teacher Proficiency Modules course this year. This is very similar to the survey course Cohort 1 and 2 teachers experienced, but the content is focused on the three proficiency modules below:

- Module 1- The Knowledge Base of Teaching (18 areas of performance, repertoire, and matching)
- Module 2- Essential Elements of Unit/Lesson Design
- Module 3- Making Student Thinking Visible

Please send the name of your Cohort 3 teacher to Raquel Gwynn by 9/10/14-

We will open any remaining or unfilled spots on a first come first serve basis through our online course registration process. The link for registration will be sent out to teachers on 9/11/14. We should have about 10 additional spots available for interested teachers.

Administrator co-observation schedule will be sent out soon... Stay tuned!
