

# PLEASE POST!

## EUGENE AIRPORT REQUEST FOR STUDENT ARTWORK

The Eugene Airport is currently undergoing construction as part of a major terminal expansion project. Temporary construction walls will be installed and they are in desperate need of some colorful student artwork!

This is a great opportunity for your students to explore aviation and travel in combination with their current lessons and art. It also offers a way to showcase your students' work to the public.

Please include the following in your artwork:

- ◆ Student name, school name, grade, and teacher's name.
- ◆ Poster paper is best, but butcher paper would be fine too, about 22 inches by 28 inches in size.
- ◆ Markers instead of crayons will stand out better.
- ◆ Aviation theme – Could be the Wright Brothers, “how airplanes fly,” travel to a foreign land.
- ◆ Try this website for inspiration: <http://www.faa.gov/education/>

Send to: Eugene Airport, 28855 Lockheed Dr., Eugene, OR 97402 or use the Lane ESD courier service.

For more information contact Casey Boatman, Eugene Airport, Airport Services Manager ([cboatman@FlyEUG.com](mailto:cboatman@FlyEUG.com)) (541-682-8484) Thank you!
