To whom it may concern:

My name is Jose Ramos and I am the President of "*Club Olimpia USA Academy*". We are a newly established, non-profit, soccer club that targets youths aged 5-19. The mission of our experienced, knowledgeable coaching staff is to create a youth sports program in the Lane County area that motivates and encourages healthy development through physical activity; increases sport participation rates; and inspires youth to want to learn more about soccer. *Club Olimpia USA Academy* uses soccer as a tool for positive change, a means for creating pathways for personal growth, success, communication, and inclusion in a healthy, fun environment.

We are excited to announce that our club will be hosting a **FREE 4 WEEK SESSION** this month. With a one-time \$5 donation for the field rental fees, students will be able to participate in our soccer training workshop for free! We would greatly appreciate you informing your students of this wonderful opportunity; therefore, I have attached a copy of our flyer for your review and distribution.

Thank you in advance for your assistance; if you have any further questions, please feel free to contact me.

Warmest regards,

Jose Ramos
President
