Eugene Ballet Company presents a 50-minute educational performance featuring an interactive demonstration of all the elements that go into performing a professional ballet, followed by a complete ballet performance of *Pulcinella* (pull-chin-ella).

This madcap *commedia dell'arte* farce tells the story of the comic character Pulcinella (Punch, of *Punch and Judy* fame), and his adventures and efforts to stay out of trouble. Full of colorful and lively dancing and sparkling sets and costumes, *Pulcinella* will engage and entertain while providing students with a greater knowledge of this intriguing art form. A study guide is available.
