Camp Ukandu

Children eligible for UKANDU must be living with a cancer diagnosis, between the ages of 8 and 18 and not a high school graduate. Each eligible camper is invited to bring one sibling to camp. Oncologists in Oregon and Southwest Washington receive applications forms and pass them on to the parents of their patients. Parents then submit the application to the Camp Ukandu office. Dates are June 18-24th, 2017 with applications ready in March. The Teen Retreat is a weekend for teenagers 14-18 to spend time with others and away from the anxieties of cancer. The retreat encourages the development of leadership, positive relationships with peers and team building. To sign up, speak with the child's oncologist office or contact Hillary Orr. Free

Crisis Response Program

A call to the Crisis Response Program connects to a crisis worker, who will provide referrals and assistance to help stabilize the situation, restore safety to the home and create a short-term plan. If more intensive intervention is needed, and the worker believes an on-site intervention is warranted and with parental permission, a Crisis Response Team will come to the home. If a child is already receiving mental health services, the parent is asked to first contact the child's therapist, the DHS caseworker or the DHS emergency number. Response is provided 24 hours a day, 365 days a year, throughout Lane County.

1-888-989-9990

Direction Service Assessment and Evaluation Center

Provides psychological evaluations, assessment of intellectual functioning, personality assessment, assessment of anxiety, including post traumatic stress disorder and obsessive compulsive disorder, assessment for depression, academic assessments, including learning disability, attention-deficit/hyperactivity disorder and attention-deficit disorder. Referrals may include people who are difficult to diagnose, who appear to have more than one mental health diagnosis, who are seeking assistance in understanding difficulties they might experience at work or at school, who are looking for an independent evaluation related to special education.

Kids in Transition to School (KITS)

Kids in Transition to School – or KITS – is an evidence-based school readiness program. The program provides a boost to children’s literacy, self-regulation, and social skills just prior to kindergarten via a system of positive teaching and behavior change strategies. The program focuses on both children and their families. KITS is available at school districts throughout Lane County for children entering kindergarten in the following fall.

Bridgeway House Social Groups

Bridgeway House social groups provide a supportive setting for children in small facilitated settings. Arts, crafts, games, field trips and topic-specific conversations provide children with the opportunity to work on social skills and build lasting friendships with peers. Children are matched with children of similar ages and skill levels and are separated by gender. Children are usually placed on a waiting list until there are enough clients of the same skill level and age to create a group.
