October 25 - **Culture Class**

Drum, Dance, Homework Assistance

The ABC's of being a good student

A=Academics. Place a high priority on your studies. After all, your main job in school is to learn.

B=Behavior. Behave responsibly. Some of your actions now can have a long-lasting impact on your life.

C=Concentrate. Focus on your coursework; concentrate on those courses that are a little tough for you.

D=Determination. Not everything comes easy but you can accomplish anything if you're determined.

E=Excellence. Strive to be the best in everything you do.

F=Fun. Include time in your schedule to relax and have fun.

G=Grades. Earn high grades by studying each of your courses every day. Inch by inch it's a cinch, mile by mile it will take awhile.

H=Honesty. Maintain a high ethical standard by staying honest in your studies. Don't copy or share homework or cheat on tests.

I=Involvement. Participate in school activities to get the full academic experience.

J=Joy. Immerse yourself in your studies and experience the true joy of learning.

K=Kindness. Be respectful to your fellow students and teachers.

L=Learning. Create a good learning environment at home by creating quiet place to study away from television, music, or other distractions.

M=Motivation. Develop rewards to motivate yourself if you find it difficult to study. For instance, if you study for two hours today, you can watch your favorite television program.

N=News. Pay attention to what's going on in the world around you. Read a daily newspaper either in print or online, even if it's just the headlines and the first couple of paragraphs of an article. You'll be amazed at how many daily events tie in with class discussions.

O=Opportunities. Recognize class projects and assignments as opportunities to add to your knowledge and experience something new. You might find something that you really enjoy and will make a good career choice.

P=Positive. Be a positive thinker. You can accomplish a lot if you believe in yourself.

Q=Quality. Always turn in your best work. The quality of your work says a lot about you. It also establishes good habits that will serve you well in your career.

R=Rest. Adequate rest is needed to take full advantage of your classes. Staying up late to cram for a test usually doesn't result in a higher grade.

S=Study. Study a little each day for every course. When exam time rolls around, you won't be trying to catch up on all your studying.

T=Time. Manage your time responsibly. Make sure you make time for each class and for each project or assignment.

U=Unusual. Don't settle for always doing the usual thing. Use your creative abilities to try new things. Take new classes and explore new topics.

V=Valiant. Make a valiant effort to do your best in your classes. You may not be successful at all subjects, but at least you will know you tried.

W=Want. Always want to learn and to learn more about the subjects you study. A subject that may be boring on the surface may be very interesting as you learn more details.

X=X'ing. When taking multiple choice tests and x'ing your answer, be sure to read the question and all the possible answers completely. Don't treat multiple choice tests as multiple guess tests.

Y=Youthful. Establishing an interest in various subjects will keep you young throughout your life. Researchers have found that most of those people who enjoy life have a common, ongoing interest in learning new things.

Z=Zeal. Approach all you do with zeal, a passion for learning, and accomplishing as much as possible in your life.

6:30 pm to 8:30 pm for all activities

Hey NATIVES students. This year the Program will be honoring students with

Attendance Certificates and gifts.

Certificates will be given for 100% attendance, 75% attendance and 50% attendance.

Plan on being at all Program activities on every Wednesday night so you can get an award.

These certificates and recognition will be given on BINGO night in May

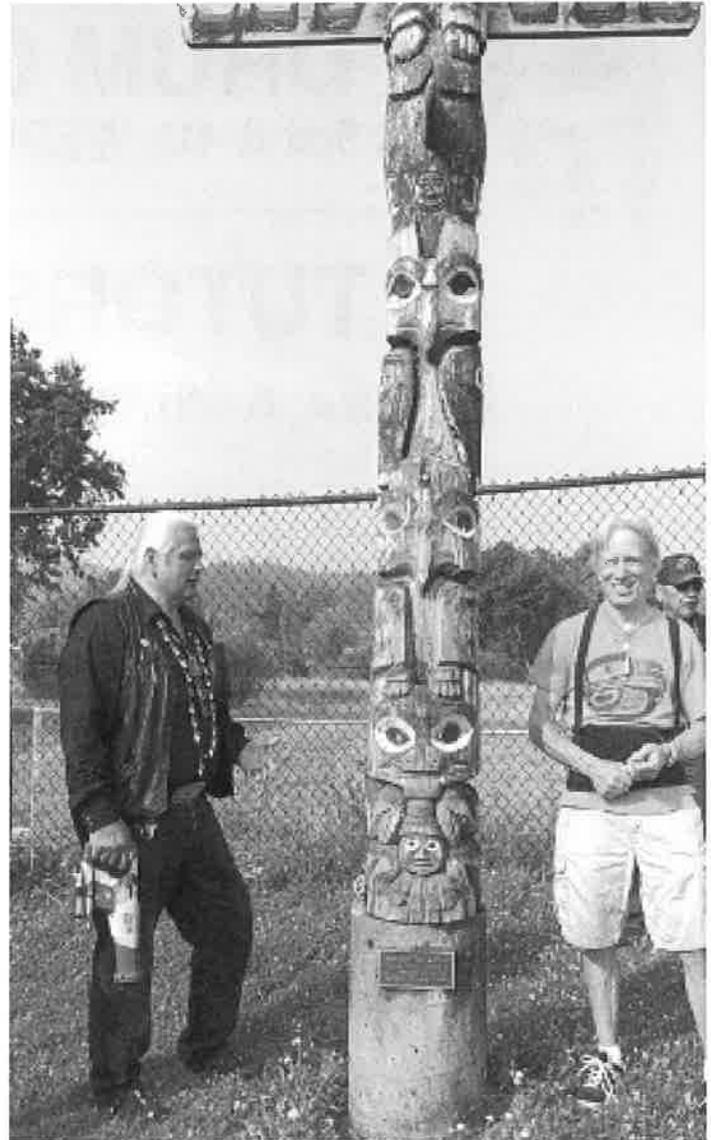

The NATIVES Program is working with the city of Eugene or rehabilitate several totem poles that are owned by the city. Program staff and students prepared the poles for removal and renovation. Renovation is being done under the direction of Vic Hansen, master carver. Program staff, parents, students and volunteers are working diligently to rehab the poles.

Keep a look out for new totem poles at Sheldon HS, DeFazio Bridge, and Amazon Pool.

Joe Brainard & Lloyd Rodriguez remove rot

Vic Hansen, Master Carver, and Joe evaluate a pole.

Audree Taylor
and
Janiya Taylor
work on
cleaning and
sanding the
poles

Matthew & Stephanie Woodke & Darcy Dickey work on a pole.

Joe Brainard sands a wing on the pole

Here's some fun Halloween Recipes!!

Spiced Pumpkin Seeds

- 1 1/2 tablespoons margarine, melted
- 1/2 teaspoon salt
- 1/8 teaspoon garlic salt
- 2 teaspoons Worcestershire sauce
- 2 cups raw whole pumpkin seeds

Preheat oven to 275 degrees F (135 degrees C).

Combine the margarine, salt, garlic salt, Worcestershire sauce and pumpkin seeds. Mix thoroughly and place in shallow baking dish. Bake for 1 hour, stirring occasionally.

BOO BEVERAGE

- 2 CUPS ORANGE JUICE
- 2 PINTS ORANGE SHERBET
- 2 CUPS WHIPPED TOPPING
- 2 CUPS MILK
- 4 RIPE BANANAS
- 18 MINI CHOCOLATE CHIPS

IN FOUR BATCHES, PROCESS THE ORANGE JUICE, MILK, SHERBET AND BANANAS IN A BLENDER UNTIL SMOOTH. POUR INTO GLASSES. CUT A HOLE IN THE CORNER OF A PASTRY OR PLASTIC BAG; FILL WITH WHIPPED TOPPING. PIPE A GHOST SHAPE ON TOP OF EACH BEVERAGE. POSITION CHOCOLATE CHIPS FOR EYES.

Harvest Snack Mix

- 2 cups pretzel sticks
- 1 cup mixed nuts
- 1/2 cup sunflower kernels
- 6 TBS butter, melted
- 1/2 tsp ground cinnamon
- 1/8 tsp ground cloves
- 8 cups popped popcorn
- 1 cup candy corn
- 1 cup chocolate bridge mix (or chocolate chips)

In a large bowl, combine the pretzels, nuts and sunflower kernels. Combine the butter, cinnamon and cloves. Drizzle a third of butter mixture over pretzel mixture; toss to coat. Transfer to a greased 15-in. x 10-in. x 1-in. baking pan. Bake at 300° for 15 minutes.

Place popcorn in a large bowl; drizzle with remaining butter mixture and toss to coat. Stir into pretzel mixture. Bake 15 minutes longer or until heated through. Cool; transfer to a large bowl. Add candy corn and bridge mix; toss to combine.

Spooky Witches Fingers

- 1 cup butter, softened
- 1 cup powdered' sugar
- 1 egg
- 1 tsp almond extract
- 1 tsp vanilla extract
- 2 2/3 cups flour
- 1 tsp baking powder
- 1 tsp salt
- 3/4 cup whole almonds
- 1 tube red decorating gel

Combine the butter, sugar, egg, almond extract, and vanilla extract in a mixing bowl. Beat together with an electric mixer; gradually add the flour, baking powder, and salt, continually beating; refrigerate 20 to 30 minutes.

Preheat oven to 325 degrees F. Lightly grease baking sheets.

Remove dough from refrigerator in small amounts. Scoop 1 heaping teaspoon at a time onto a piece of waxed paper. Use the waxed paper to roll the dough into a thin finger-shaped cookie. Press one almond into one end of each cookie to give the appearance of a long fingernail. Squeeze cookie near the tip and again near the center of each to give the impression of knuckles. You can also cut into the dough with a sharp knife at the same points to help give a more finger-like appearance. Arrange the shaped cookies on the baking sheets.

Bake in the preheated oven until the cookies are slightly golden in color, 20 to 25 minutes.

Remove the almond from the end of each cookie; squeeze a small amount of red decorating gel into the cavity; replace the almond to cause the gel to ooze out around the tip of the cookie.

No Bake Pumpkin Pie

- 2/3 cup milk
- 1/2 tsp pumpkin pie spice
- 1 cup pumpkin puree
- 1/2 tsp ground cinnamon
- 1 (9 inch) pie shell, baked
- 1 cup frozen whipped topping, thawed
- 1 (3.4 ounce) package instant vanilla pudding mix

In a large bowl, mix the milk & pumpkin until smooth. Add the pudding mix, pumpkin pie spice & cinnamon & mix until well combined. Fold in the whipped topping & pour into pie shell. Refrigerate until serving.
