Dear Principals:

I have taken over responsibility for organizing student teacher placements and requests. If you have any suggestions about ways to build a system that will meet this need, please let me know. For now, I am forwarding a list of student teacher and practicum requests from Northwest Christian. If you would like to have any of these placements in your building, please email myself or Viki Berry with your request. We are in the process of building a google sheet districtwide to track them all. Placements will be assigned on a first come-first serve basis. Please let me know if you have an interest in any of these folks by next Friday, October 26th. Thanks.
