Hello Elementary Teachers

The elementary report card committee wanted to share resources we have created - with the intention of helping support staff as we approach the end of the first semester and using the new, shortened report card for the first time. We have linked the resources to a website - hoping you could bookmark that and not have to search for an email or documents.

The link is here: <https://blogs.4j.lane.edu/elemreportcard/2018-2019/>

If you have any questions, please connect with your building report card committee member or your building principal. I hope you have a well deserved winter break, I so appreciate all you do for our students and families.

Thanks

Brooke Wagner
