<ul style="list-style-type: none"> Student DO NOT get points at recess if they got in trouble that particular recess and are told to sit on the bench. Students DO get their points if they are sitting on the bench for an earlier incident if they owed their time on the bench appropriately. 		
4. Others	Discussion	10 min.
<ul style="list-style-type: none"> Tetherball – We’ll see if we can find a more rugged tetherball that wont’ break right away, which will hopefully give students at recess another game options. Lisa noted that her previous school bought a tough/expensive tetherball rig, but it still broke. Playground Equipment – It is time to order some additional balls to replace lost and damaged balls. Recess staff will let Allan know what need ordered. Allan will also order two Frisbees for each grade level. Reflection Sheets - Patricia shared some reflection sheets for misbehavior that she got from Linda Lamb that recess supervisors could use when students misbehave. Playground Ball Tubs – The grade level ball tubs are on their last legs. Allan will check with Crystal if she has access to some heartier garbage cans/ball tubs. 		

- **Soccer Balls on Blacktop** – There has been different issues with soccer balls at recess on the blacktop areas, but it is not across all grade levels. If problems persist for certain grade levels, soccer balls will go in “ball jail” for the time being.
- **Snow on the Playground** – If there is snow on playground, there will be inside recess. This is for safety reasons, student management reasons, and for keeping students dry. If there is only some snow, we will go outside.
