Hi Everyone,

Field day is scheduled for June 17th. K-2 times are 8:30-10:00, 3-5 times are 10:15-11:45. There will be no PE classes that day. I will talk to Joan as I do know that 3rd grade lunch is normally at 11:35 so we may have to adjust times for the day if possible.

Also attached are the field day stations and letters to go home. You may want to add bringing extra clothing, sunscreen and wearing activity appropriate clothing and shoes. The main point being that flip flops and sandals are never good. The stations are tentative and I will put a map with the actual stations and starting spots as we get closer to the event. I'm thinking that it would be great for 5th graders to be volunteer for k-2. I will organize that with the 5th grade teachers. I will not need all 5th graders to help. I do think that we need at lease one adult volunteer to run stations for grades 3-5 and am open to 5th graders helping with their own field day as well.

I have talked to PTO about popsicles and bubbles...but haven't heard a word, so if you can ask for donations for those items it would be greatly appreciated....I will talk to Allan and Lori to see if we have money anywhere to buy those items.

Please let me know if you have questions, comments or ideas to help the day run smoothly 😊! I'm hoping for a warm and sunny day!
