Greetings!

We are so excited to be a part of your building again this year!

We are actively recruiting, hiring and training qualified staff to work in the BEST Afterschool Program this year.

- Notices went out to returning staff today. We will have an idea of those returning after next Friday.
- In anticipation of open EA positions, a NEOGOV posting is up on the district web page today through Monday, September 2nd. **Your building has open positions for BEST.**
- Please email your classified staff and let them know of this posting. Please refer any questions my way. We would love to hire staff from your building that are already familiar with your staff, students and families!
- BEST staff report back on Monday, September 16th for training.

The BEST Afterschool Program begins for students on Monday, September 30th.

- I would like to schedule a time to meet with each of your teams (principal, BEST site Coordinator, BEST Academic Coordinator and Title teacher (s)) to talk about goals and logistics for the year. Look for an invitation soon.
- We are in year 2 of a 5 year 21st CCLC grant cycle and ODE has set forth a plan for continuous improvement planning. Part of our goals include clearer communication with day staff. At our meeting I will be requesting some time to meet with your staff during a building staff meeting in September. Please take a look at the calendar and find 10-15 minutes I can update them on data and goals for the year.

Please let me know if you have any questions. Here's to a great year!

All my BEST,

Molly Wittkop Lajoie
