Good Morning North Eugene Region! I hope everyone is having a great start to the school year! I am excited to be back as the North Eugene Region SRO and am eager for opportunities to have a presence in all your schools.

This year I want to focus on developing positive relationships with our students. One way I want to do this is by introducing a student recognition program. I want to build on the feeling of community each of your schools has and encourage students to help make their school community a place where they are safe and feel safe.

Let's kick this off by presenting a Community Award Certificate to a deserving student at each of your schools on a bi-monthly basis. All I need from you is an e-mail with the names of two deserving students each month. Students who exhibit courage, integrity, selfless acts of kindness, volunteerism or any other characteristic we want to encourage are perfect candidates.

I want to publicly honor the good deeds of these students in front of their peers. My hope is to visit each student in class and present them with a certificate and sponsorship award/gift from a community partner. This visit will be scheduled as to not interrupt important instruction time.

I look forward to the school year and would love to hear more ideas of how I can help make your school community even more awesome than it already is!

Officer Nick
