Dear Allan Chinn,

The University of Oregon's Women's Basketball season is approaching quickly and we are excited to have another "Field Trip Day". The Women's Basketball team would like to invite your school, Howard Elementary, to a game this season on December 16, 2019 at 11:00am. Like last year, we understand that this is during the school day but we would like to propose the idea of making it a "Field Trip Day" for your students. We would like to celebrate the elementary and middle schools in our area, and hope that your school can participate in this community-wide event.

With that being said, we can provide free admission for each of your students as well as math activity sheets for them to work on during the game (to add an educational element to the trip). The activities given will be based on what grades you choose to send. Following the game, the team will also be signing autographs and speaking with fans. All we ask is for your school to provide the necessary transportation for your students to the game.

We truly do hope that we can make the appropriate arrangements to have all your students in attendance, however we understand that sending every single child on a field trip may not be possible. If sending all students is not possible, we would love to still have a couple of classes join us at the game.

Please let us know if you have any questions or concerns regarding Field Trip Day. In order to make this happen, we must start discussing further details **as soon as possible (no later than Nov 15th)**. The attached link will direct you to a google form where you will be filling out logistics regarding your school. Please reach out to me at 541-346-5330 or by email at skekuewa@uoregon.edu. We look forward to hearing from you soon!

Logistics Link: https://docs.google.com/forms/d/e/1FAIpQLSeMS47f8gR_Dey-3q01lwE-Kv2fIgX9gVGYjaBjVRIWXtwkzQ/viewform?usp=pp_url

Additional information such as maps, parking, and seating assignments will be sent out once receiving your school's confirmation of attendance.
