Dear Educators,

Do you hear what I hear? ...It's the sound of winter break just around the corner. I hope this season finds you well and ready to partake in one of the wonderful reasons for the season: rest!

Once all that resting comes to pass, our first day back together in the new year is set aside for professional development. Please find the following attachments and see below for an overview related to January 6, 2020 planned activities:

- 1) K-12 PD Sessions Jan 6 2019
- 2) Register for TED
3. TalentEd Develop (TED) link in 4J home page tabs

Best Wishes this Season to Everyone,

David Jacobson
Federal & Instructional Programs Administrator
Eugene School District 4J

Overview of Attachments and Activities:

- 1) K-12 PD Sessions Jan 6 2019
 - 8:00am-10:30am: Teacher Tech PD at Churchill (licensed staff K-12), Classified PD (with longer sessions due to special requirements), workgroups
 - 10:30am-1:30pm: Travel time, lunch, teacher prep time
 - 1:30pm-4:00pm: School-based meetings and/or building-based PD

2) Register for TED

If you've had trouble logging in to TalentEd Develop (TED), please review this sheet. It is updated. The old pdf from February 2019 has outdated info.

Quick Tip: Most of the trouble logging in comes from entering your login incorrectly. For login, enter your 4J email user name without the @4j.lane.edu part.

Remember, TalentEd Perform (where you go for SMART goals and evaluation sign-offs) is a different program than TED. Link to

TED: <https://4jlane.truenorthlogic.com/ia/empari/login/index>

Super important: We want you **to sign up for PD sessions**. When you do, you log PDUs and the courses you have attended. One fine day, all of this signing up will help teachers with column advancement and TSPC requirements for license renewal. When you sign up, you will have a record of what sessions you attended and we PD folk get to learn more about how TED works (and troubleshoot when it doesn't) so it serves our collective needs more and more over time.

Sign ups start up Monday, December 16

3. TalentEd Develop (TED) link in 4J home page tabs

See the pdf with a quick pic of our 4J home page tabs. TED is now accessible under the Staff tab.

Fine Print:

Questions and login troubles? Please email 4jpd@4j.lane.edu. All the folks who support PD can access the email and share solutions. It is the fastest way to get help.
