Dear Educators,

Our next round of Professional Development sessions for certified and classified staff in 4J take place Friday March 13, 2020. Please find the following attachments and see below for an overview related to March 13, 2020 planned activities:

- 1) K-12 PD Sessions March 13 2020
- 2) Register for TED
3. TalentEd Develop (TED) link in 4J home page tabs

Overview of Attachments and Activities:

1) K-12 PD Sessions March 13 2020

8:00am-10:30am: Teacher Tech PD by grade level for licensed staff K-12 at multiple locations-BYOD (D for Device), Classified PD (with longer sessions due to special requirements), workgroups

10:30am-1:30pm: Travel time, lunch, teacher prep time

1:30pm-4:00pm: School-based meetings and/or building-based PD

2) Register for TED

If you've had trouble logging in to TalentEd Develop (TED), please review this sheet. It is updated. The old pdf from February 2019 has outdated info.

Quick Tip: Most of the trouble logging in comes from entering your login incorrectly. For login, enter your 4J email user name without the @4j.lane.edu part.

Remember, TalentEd Perform (where you go for SMART goals and evaluation sign-offs) is a different program than TED. Link to TED: <https://4jlane.truenorthlogic.com/ia/empari/login/index>

PLEASE NOTE: **Teacher Tech PD for certified staff** will not have a sign up on TED. Instead, you will sign in super legibly on paper at the school locations. Then our tech team will manually enter participants' names in TED.

Otherwise: **We want classified staff to sign up for PD sessions on TED.** When you do, you log PDUs and the courses you have attended. One fine day, all of this signing up will help teachers with column advancement and TSPC requirements for license renewal. When you sign up, you will have a record of what sessions you attended and we PD folk get to learn more about how TED works (and troubleshoot when it doesn't) so it serves our collective needs more and more over time. And ironically for this round, teachers will not be signing up through TED—for this session only. See the note below.

Sign-ups start up Friday, February 28, **for Classified staff only for this round of PD**
