Subject : [admin_super] Change to EEF Grants Due Date
To : admin super <admin_super@4j.lane.edu>

Please note: in light of the unprecedented changes due to the novel coronavirus pandemic, EEF Staff and Board have determined that the original due date for grant applications from 4J schools and district-level programs will be extended from the original date of May 8 to at least September.

In the interim, in order to best serve students and staff, we will review proposals that address needs that have arisen due to the pandemic, on a case by case basis.

We hope to be of assistance in making education more accessible to students and their families during this time, and we are working with the district to help in any way we can.

You may contact us with questions by emailing us at eef@4j.lane.edu. Please check the [grants page](#) on our website for periodic updates.
