Hello Holt Friends

I hope this finds you healthy and only moderately frazzled 😊

Though this school year is going to be like nothing any of us has imagined before, North Park and Garden Way Churches are organizing that we won't be there regularly, our school campus needs some love.

Saturday, September 12 from 9-12, groups from the churches will be at the school waging a war against the monster weeds. Please join the staff who will be on site.

Social distancing is required, and masks must be worn in you are close to others.

Please bring your own tools/buckets for weeding - if anyone is willing to bring/contribute a battery-powered weed trimmer, that would be great.

Please let me know if you have any questions - of if you would like to be removed from the volunteer list.

Take care!

Tina
