

the Collective

**Please join us for
Collaborative Planning with
District-wide
Grade-level teams!!!**

Individually none of us knows everything but together we know a lot! Summer content workgroups have created valuable resources to guide planning. After some shared learning, we will leverage our collective expertise and create a grade-level community as we move together into distance learning.

Wednesday 1:00-4:00

Thursday 10:00-12:00

Tuesday 1:00-4:00

Grade K & 1

Focus: Review summer work group progress and frame distance learning. What does “readiness” mean this fall and how can we collectively support families and students?

Outcome: Conference & SEL Resources & Feedback

Focus: What are developmentally appropriate routines? How can we use our collective expertise to support designing student-centered routines?

Outcome: Instructional Routines Resources & Feedback

Focus: How can we rethink academic readiness and assessment? How can we use our building teams to support planning for Weeks 1-3?

Outcome: Bridging Relationships to Academics & Feedback

Grade 2, 3, 4 & 5

Focus: What are Prioritized Standards & Accelerated Learning? How can we use our collective expertise to support Math Unit Planning?

Outcome: Term 1 Math Resources & Feedback

Focus: What are TWAGs & how can we build in “content integration”? How can we use our collective expertise to support Literacy Unit Planning?

Outcome: Term 1 ELA Resources & Feedback

Focus: How can we rethink student engagement routines? How can we use our building teams to support planning for Weeks 1-3?

Outcome: Instructional Routines Resources & Feedback

More information and Zoom links to come next week!
