Dear 4J Family,

We are happy to announce that we are open to receive grant applications from schools and district programs for the current school year!

Please note the following changes:

Standard Applications:

There will be two opportunities this year to apply for regular grants to support applications for the 2020-2021 school year. The first deadline is **Friday, October 25, 2020**. The second deadline is **Friday, January 8, 2021**.

Urgent Request Applications:

This year, in light of the pandemic and the unique challenges that accompany it, we will also consider grant applications, on a rolling basis, that support **urgent needs**. These grants support requests related to COVID or Comprehensive Distance Learning, and are unplanned needs that *cannot* wait for the standard application review period. Applications submitted as Urgent Requests will be evaluated within 5 business days.

All grant applications must be submitted online, via a form on our website, at the following address: <https://eeflane.org/2020-21-grant-application-cycle/>. **We will not accept applications in any other format.** Once you submit your application, you will receive an emailed copy for your records.

Application guidelines, funding priorities, and FAQs are also located at the above web address. Please read through them before submitting, as there are changes from prior years.

If you have any questions, please email us at: eef@4j.lane.edu.

On behalf of my Board and Staff, as well as our generous donors, I want to thank you all for the important work you are doing in the midst of a very unusual year. We are so proud to support you.

Warmly,

Dana Fleming
