Hello Elementary Teachers

New information came today about a change to the timeline for elementary staff via our superintendent. This change offers us an opportunity to slow down and provide more support to students and staff during this transition. One of our most important goals is to provide our youngest learners with opportunities to meet staff in smaller groups and see where they'll be learning. More detailed information will come early next week, but below are some key highlights for staff.

- Class changes will now happen on March 15 instead of March 8 (grades K-5)
- Once classes change on March 15, 2nd through 5th grade classes will remain on the CDL schedule until April 2nd.
- The week of March 15, kinder and 1st grade students will have a chance to meet their teacher onsite or online for orientation events. More detailed information on this will come. A team of teachers is working on resources teachers can use for these orientation events.
- The week of March 29, Kinder and 1st grade students begin learning in their cohorts and following the new schedule. 2nd-5th grade will stay on the CDL schedule.
- The week of April 5, 2nd through 5th grade students begin learning in their cohorts and following the new schedule.

Elementary Timeline & Highlights

Students will now shift into their hybrid/SSO classes on **MARCH 15**

Kindergarten & 1st Grade

March 15 - Orientation events with students for both hybrid & SSO classes.

March 29 - Hybrid & SSO classes begin learning in their cohort groups and follow the new schedule.

Why the change?

To offer time for our youngest learners to come into the building or meet with their teacher in small groups before learning together in our new schedule.

2nd through 5th Grade

March 15 - Students shift into their new classes and continue to follow the CDL schedule until April 2

April 5 - All 2nd through 5th grade students begin learning in their cohort groups (onsite and online) and follow the new schedule.

2nd-5th Grade will remain on the CDL schedule until April 2nd.

Take some time to relax and recharge this weekend. Thank you for your continued grace and patience.

I appreciate all your work and flexibility.

Brooke
