Hello Elementary Leaders - below is a message from Tana Shepard with some upcoming opportunities for Earth Day 2021 - there is an action item highlighted in yellow, please respond to her with that information. Tana can also answer any questions you have - she is copied here.

Hello Principals & Secretaries,

In honor of Earth Day in April, the 4J/EWEB Education Partnership will be offering a *4J Loves Food Not Waste at Home* project. Staff, students and families are invited to participate in the 4J Loves Food Not Waste 30 Day Challenge. We will provide you with links and information ready to send to families via your email newsletters. In addition, the 4J Climate Justice Team will be providing optional resources for teachers to use for Earth Week.

Here is a link for more information: [No Time to Waste](#)

The 4J Loves Food Not Waste at Home project involves:

- distribution of reusable produce bags with waste reduction educational materials for all K-8 families (partnership with the City of Eugene/Lane County)
- Love Food Not Waste Challenge/ PSA art contest* with prize drawing for prizes provided by community partners
- connection to the 4J Climate Justice Earth Week educational opportunity for classrooms

Please give us the following building information:**Total number of student households:****Number of Spanish materials needed:****Day of week materials are sent home:****Special considerations:**

We know you've already got a lot on your plate right now and we appreciate your time. We're looking forward to partnering with you in bringing these resources to families!

Best,
Tana Shepard & Kari Stubbert

Kind regards,

...
