Team,

Happy sunny Friday! I'd like to share a couple more changes in our administrator team for next year.

**Larry Williams** is moving to the Ed Center for a district role supporting educational equity and inclusion. Larry is a veteran instructional leader dedicated to promoting equitable access to education and positive student outcomes in traditionally underserved communities. He has been principal of Arts & Technology Academy since 2017 and previously was principal of Edgewood Elementary School for a decade. Before his time as a 4J administrator in 4J, he served as assistant principal of a K–8 school in Bethel and as a counselor at Churchill High School.

**AJ Hruby** will step into the principal's office at Arts & Technology Academy. AJ is a skilled and compassionate school leader and educator. She is well familiar and well known at ATA, where she has been the assistant principal for the past five years. She has been an educator in 4J for 22 years in all—before becoming ATA's AP in 2016, she was an experienced classroom teacher, teacher leader, essential skills coordinator and Title I coordinator.

Please join me in congratulating Larry and AJ on their new positions.

Cydney
