

## ArtStream Access Instructions for Teachers

These instructions will guide you through Lane Arts Council's ArtStream web pages so that you can locate the lessons you'd like to build into your curriculum and share with your students!

### Step 1

Go to [www.lanearts.org/ArtStream](http://www.lanearts.org/ArtStream)

### Step 2

Scroll down and click on the button that says "LOG IN HERE TO WATCH ARTSTREAM LESSONS!"

We will adjust the cost of investment between schools and school districts based on your student enrollment. Contact Eric Braman at [eric@lanearts.org](mailto:eric@lanearts.org) to discuss costs for your school or school district.

For families, the cost of access to this program is \$150 per household. Please contact [artsed@lanearts.org](mailto:artsed@lanearts.org) to sign up today.

# ArtStream

*Welcome to ArtStream! From this landing page, you can access all upcoming and previous live ArtStream lessons!*

## How to Navigate

1. You will always start by logging into this page!
2. To the right, you'll see buttons for K-2, 3-5, and 6-8. Select the level of video you are looking for and a new page will open with all of the upcoming and previous ArtStream videos for the selected grade levels.
3. On each grade level page, videos will be organized into two tabs: upcoming and previous. The upcoming videos will be displayed automatically, but you can click on "Previous Lessons" if you would like to watch an archived video.
4. When you find the video you would like to watch, simply click on it and a new page will open that displays that video.

### Nature Collage & Temporary Art with Alex Ever

Students will explore the unlimited art making supplies that surround us in yards, parks, sidewalks, and sea sides as they create temporary artworks and natural collages. This program encourages students to see possibility in the every day as leaves, flower, stones, sticks, and seashells become whimsical creatures, mandalas, and more. This program touches on key math concepts in a highly creative way. *Supplies: paper, pencil, ruler, natural materials (such as leaves, stones, and seashells); optional: glue*

- Monday, November 16th, 12pm
  - Lesson 1
- Wednesday, November 18th, 12pm
  - Lesson 2
- Monday, November 23rd, 12pm
  - Lesson 3

## Step 6

The link for each lesson is below each bulleted date. When clicking on “Lesson 1,” for example, a new page will appear with that embedded video displayed. **This is the page that teachers should share directly with their students.** Copy and paste this link and send to students.
