Subject : [elem_princi_only] ELA Teams: PreK-3 District Team & Adoption Committee

Many of you have reached out, as well as some teachers, with questions about the two teams we are hoping to fill: [PreK-3 District Literacy Team](#) and [Language Arts/Social Studies Adoption team](#). I just wanted to follow back up from our February ELA Update with more information about these teams and encourage you to fill out the form when you have volunteers.

PreK-3 District Literacy Team: This team will support district level planning around implementation of our SIA funds for improving third grade reading. We are looking for a diverse team of perspectives and those with a deep knowledge of literacy best practice. This team will be on the smaller side, with two classroom teachers per region and some specialists. This team will work on district vision for literacy, professional learning needs, and planning the next several years of a district literacy focus.

Adoption Committee: We are looking for a K-2 and 3-5 representative from each building to be a part of the Language Arts/Social Studies adoption committee. There will be some summer work and piloting involved in these roles, with the evaluation of potential tools happening in fall 2021. We will also be asking for specialists who are interested as well, but it is critical we get classroom teachers who can pilot materials. This team will guide the selection of materials we use to teach literacy and social studies for years to come!

[ELA Update: Feedback Form](#)

**If you could please use the form to submit potential team members, that would be incredibly helpful!*
