Building Leaders:

Today a decision was made to NOT permit University Supervisors to visit your schools observe student teachers. This decision was made due to the fact that many schools are having difficulty accommodating additional, non-essential visitors. Student teachers are still allowed on campus (provided they have a 4J email address), and Field Study Students can visit your school with your permission provided they have completed the 4J volunteer form and follow COVID safety guidelines.

Student teachers will need to record themselves in some manner (ZOOM or camera) so supervisors can evaluate the candidates. Please direct any issues or concerns to me regarding this decision. I will be sending a message out to the student teachers and university supervisors as well.

Thanks for your support.
