

## Site Coordinator Meeting May 14, 2021

### *Now through the end of the year*

1. Face Coverings - These are still required regardless of CDC's announcement yesterday as we are governed by RSSL and OHA not the CDC. See
2. Building administrators or supervisors: When we have a positive case or someone is reporting to you that they have been exposed to a positive case and you need to ask them if they are vaccinated. This may impact the decision we make specific to the employee.
3. Teleworking and On-Site Working: Teleworking is not an option for sick employees. The only time an employee may telework is if it is pre-approved by me and I will work directly with you.
4. Confidentiality, Speculation/Rumors and COVID positive cases
5. Questions about weekly email to Blake Whitson?
  - o Must transfer these reports back to building administrator in June
6. Vaccination Update

### *End of year activities:*

No volunteers for any activities regardless of whether they are indoors or outdoors

- Elementary Schools
  - o Field day may occur should you choose to organize it following all safety guidelines and protocols that are currently in place
  - o Drive-by neighborhood or school parades are also allowable
- Middle Schools
  - o Jeff will be communicating with you on this soon
- High Schools
  - o All graduation activities are taking place outside
  - o Spectators determined by county risk level
  - o Students on field 6 ft apart
  - o If spectators allowed each family will get two tickets to sit in stands
  - o Stands marked appropriately
- Technology Turn-in: Steve Menachemson will be sending out an update soon. The recommendation will be that all students keep their technology over the summer. Collect technology belonging to:
  - o Graduating students
  - o Students moving/leaving the district
  - o Families who do not want to keep it over the summer
- Textbooks, instruments, etc
  - o SSO students - determine your materials' return plan - similar to last year

*Vaccination Update*

*Work Expectation for 2021/22*
