Happy Friday teachers and administrators. We wanted to take a minute to send you a quick document that Marlee and Reid worked on in regards to thinking about kid coverage during this shortage in staff that we have, as well as when and if you have to deal with staff that are quarantined for any amount of time. We realize how stressful it can be to have no sub available when sped staff is out, especially during this time when we are so short on classified staff as well. These ideas are not a comprehensive list of everything that can be done, but it does give you some ideas to start with. We will add to it as new ideas emerge and we are faced with the ever changing challenges that arise daily.

#### [Staff Schedule Priority for Sped](#)

Thank you all for your hard work. Please continue to let us know how we can support you. Thanks to Marlee and Reid for creating this document to help us think and plan ahead for things that may come our way this year. Please forward to anyone I may have missed.

Be well,
